

MASTER BEEKEEPER APPRENTICE LEVEL COURSE

WSU Snohomish County Extension and Beez Neez Apiary Supply are teaming up again to sponsor the apprentice level course in the Washington State Beekeepers Association's Master Beekeeper Program.

The five-week course serves as a thorough introduction to beekeeping for novice

beekeepers as well as a comprehensive refresher course for experienced apiculturists.

Each year several sessions of the course are held Monday evenings from 6:30 p.m. to 9:30 p.m. at the WSU Snohomish County Extension Cougar Auditorium in McCollum Park, 600 - 128th St SE, Everett.

Topics covered

Designed to build basic beekeeping skills, topics covered include bee biology, equipment, seasonal management

requirements, identification and management of pests, as well as honey removal and processing. Overall focus will home in on the unique challenges and benefits to beekeeping in the Pacific Northwest.

A workshop manual complements the lectures. Participants completing the course and passing the Washington State Apprentice Beekeeper level exam (open book test) receive a certificate towards the Journey and Master Beekeeper levels. Course instructors are local beekeeping professionals, Dave Pehling, WSU Snohomish County Extension entomologist, and Jim Tunnell, owner of Beez Neez Apiary in Snohomish.

Registration

Class size is limited; register now to hold your spot. Cost for the five-week course is \$70 per person. To register with a credit card, visit www.BrownPaperTickets.com and enter one of the event numbers listed at right. To register by check, fill out the form, and mail with your check, or contact Karie Christensen 425.357.6039, christensen4@wsu.edu.

For more course information, contact Dave Pehling, pehling@wsu.edu, 425.357.6019.

Registration Form

To use your credit card, visit www.brownpapertickets.com and enter one of the event numbers listed below.
